Viewpoints

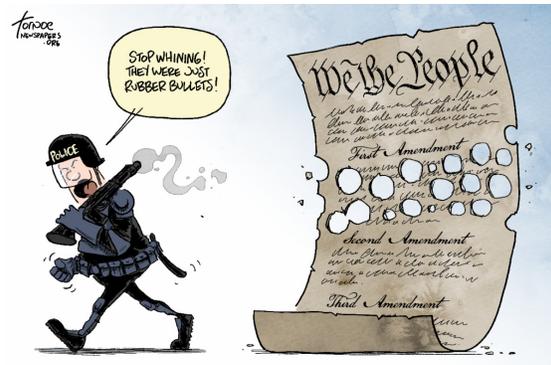

Assaults on journalists are assaults on the rights of all Americans

In the past, journalists in the USA have been able to safely perform their work, as domestic acts of violence against them were a rare occurrence. However, during the recent protests we've seen journalists attacked on Main Streets across America.

While some of these assaults can be accounted as inevitable injuries during the fog of civil unrest, many more appeared to be plainly purposeful attacks by police on reporters and photographers openly and lawfully doing their jobs.

New book from Leonard Woolsey unmask ordinary life

"Discovered In Plain View: Life Unmasked" by Leonard Woolsey is his newest collection of writings and stories about everyday life and the unmasking of those special moments we tend to overlook.

The book is the third in the "In Plain View" series by Woolsey and was completed during the recent COVID work-at-home period.

"Believe it or not, this project became a much needed break from long hours of figuring out how to get our newspapers positioned to successfully manage this chapter."

RJI announces Local News Challenge to help local newsrooms tackle technology challenges

"We want to hear anything and everything that newsrooms are struggling with — no idea is too small or too big," says Kat Duncan, RJI's interim director of innovation. "We hope to be able to create some solutions so newsrooms can focus more on serving their communities and less on the technological hiccups that can often take time, resources and manpower away from the journalism itself."
