## The Latest News

### Enforcing civic integrity

Twitter to attach warning label to posts that prematurely call election

Tweets that prematurely claim a win in today's elections for any candidate — including tweets from candidates — will have a warning label attached to them.

Twitter also announced steps being taken to prevent the platform from being used to incite violence.

### Colorado Community Media acquires seven Colorado weekly newspapers

"It is with mixed feelings that we sold this group of newspapers which our company has owned for many years," said Michael Abernathy, president of Landmark Community Newspapers. "In today's challenging times, we came to the decision that the communities we serve and our employees in the Denver area would be better served being part of a larger Denver-based newspaper group."
