The Key Executives Mega-Conference is the only major newspaper industry conference of 2019.

This is your chance to talk face-to-face with newspaper executives from across the country.

Join more than 700 media executives at the 2019 Key Executives Mega-Conference as we explore new approaches and new solutions to the issues facing the newspaper industry. The Mega-Conference will be held Feb. 25-27 in Las Vegas, Nev., at the Paris Las Vegas.

The Key Executives Mega-Conference is a joint effort of newspaper media associations with an estimated combined membership of more than 5,000 publishers. Hosts are the Inland Press Association, Local Media Association, Southern Newspaper Publishers Association and News Media Alliance. Special thanks to our local Nevada partner: the Nevada Press Association. Members of all five associations are eligible to reserve exhibit space and sponsorship opportunities at member rates.

In its ninth year, Mega-Conference attendance ranges from 700-900 attendees. Most of the attendees are owners, publishers, digital officers or revenue officers of media operations

with both print and digital assets, serving their local communities. A sizable trade show is associated with the conference.
