NTVB Media is the leading publisher of TV entertainment and listings magazines, serving over 3 million readers daily across the U.S. We are the only subscription based publisher that offers both custom and local TV program guides. Our portfolio of publications includes *TV Weekly*, *ReMIND*, *Channel Guide Magazine*, *Hopper Magazine* and *VIEW! Magazine*. Our subscriber base is made up of passionate TV viewers, who rely on a print publication to find and determine what to watch on TV.

Our weekly magazine — *TV Weekly* — provides the most complete TV print listings on a localized, city-by-city basis, where our monthly publications — *Channel Guide*, *Hopper* and *VIEW!* — are the ultimate resource for TV planners with in-depth resource sections for movies and sports. Whether weekly or monthly, our magazines are the #1 source viewers use to find and plan what to watch on TV every day.
