

Stuck on your legacy pre-press software?

Think it's too expensive to change it out?
Need a DAM or to save on image retouching costs?
Searching for managed services or SaaS options?

WHY NOT FUTURE-PROOF TODAY?

Introducing Automated Pre-Press, Image Enhancement & DAM in a Bundle

- ✓ Automated Preflight
- ✓ Automated Page Pairing
- ✓ Automated Ink Savings
- ✓ Image Enhancement
- ✓ Digital Asset Management

News Hub Media Offers A Simple Plan

- The starter license is only \$3,000 for a six-month term *including* installation, training, ongoing support and maintenance upgrades.
- Then renew quarterly based on the package price or for stand-alone modules you decide to keep using after the six-month term.

Deployment Options

- **On Premise Solution:** you provide the hardware!
- **Cloud-Based Solution:** grant us access to your cloud environment and we will set up the package.
- **NHM Hosting and Managed Services:** Tell us to host and we'll set up the environment (*extra charges apply*)

For a turn-key production and asset management solution at an affordable price visit the www.NewsHubMedia.com website today and click on the **NHM Simple Plan button!**
