

## *Alcohol-Based Topical Solution Hand Sanitizer*

*Manufactured by Southern Lithoplate, Inc.*

Keeping with SLP's Quality, Value, Performance (QVP) commitment, our number one core value is dedicated to the safety, health and security of our personnel, neighbors and the customers we serve. On March 27th, 2020 the U.S. Food and Drug Administration (FDA) issued an update to the Temporary Policy for Preparation of Certain Alcohol-Based Hand Sanitizer Products during the Public Health Emergency (COVID-19).

To support our community, Southern Lithoplate, Inc. has applied for and received permitting from the Department of the Treasury, Alcohol and Tobacco Tax and Trade Bureau (TTB) for the purchase and sale of Ethanol SDA 408 to be used in the formulation of WHO formulated Hand Sanitizer. Southern Lithoplate now manufactures the formulation approved by the World Health Organization (WHO) under the guidelines of the FDA approved label as listed on the attached. See [www.FDA.gov](http://www.FDA.gov) for additional background. [http://www.slp.com/pdfs/Hand-Sanitizer\\_Data.pdf](http://www.slp.com/pdfs/Hand-Sanitizer_Data.pdf)
